

Education

Sri Venkateswara Engineering College

B.Tech Computer Science, GPA: 8.6

Tirupati

Jan 2021 | Sep 2024

Narayana Junior College

Intermediate MPC, GPA: 9.8

Tirupati

Jun 2018 | Jun 2020

Government High School

Secondary Education, GPA: 9.8

Srikalahasti

Jun 2014 | March 2018

Skills

Programming Languages Java, C, Python, JavaScript

Libraries/Frameworks ReactJs, TailwindCss, Firebase, NodeJs, ExpressJs

Database SQL, MySQL, MongoDB, Firebase Firestore

Projects

Coding Club site ReactJs, Firebase Authentication, Firebase Firestore

<https://sloc.vercel.app>

A website for my college coding club where students can get information about the ongoing and upcoming events and get registered, access to the resources

PassMate ReactJs, Tailwind CSS, Firebase

<https://passmate.vercel.app>

A simple password saver where you can store and access your passwords like WiFi, Azure, DropBox, GitHub etc. built using ReactJs and firebase for authentication and database

Blog App ReactJs, Tailwind CSS, Firebase

Ongoing project

A blog app inspired from the DEV community where users can write blogs and can see others blog and react to them like like, save, comment, and can share the blogs.

FinTech API Python, FastAPI

<https://github.com/Clueless-Community/fintech-api>

An API that helps you to deal with your financial calculations. The ambition of this project is to help user to deal with some simple financial calculations from Simple Interest, Compound Interest, ROI, etc to complex calculations like APR, FHA Loan, Debt-to-Income ratio. You can integrate this API easily in your web app, mobile application, chrome extension, etc.

Achivements

Secured 11th position in opensource contribution program conducted by Coding Club, IIT Guwahati
